### REMARKS

The Applicant would like to thank Examiner Nutter for holding a teleconference on March 27, 2007.

Per the Examiner's request, enclosed is an article, "Syndiospecific Propylene Polymerizations with Group 4 Metallocenes", Ewen, John A., Journal of American Chemical Society, 110, pp.6255-6256, 1988, which is identified as reference AU in Applicant's IDS submitted August 16, 2006. During the March 27, 2007 teleconference, Examiner Nutter graciously agreed to consider this reference so that it would appear on the cover of the issued patent. We again thank Examiner Nutter for his efforts with this case.

Respectfully submitted,
